John running after Kelly (romance?) (one-shot)

Short one-shot as exemple using idea # 11:

Kelly was running at her top speed. She could feel the wind whipping by and even felt gigantic resistance from it. Her limbs were tiring, but she kept on running. She couldn't stop. She wanted to live. It wasn't like someone was going to kill her though, technically. Her head twisted back for a split second and then back. That was all she needed to know that John was still after her. Wow, he can run fast while angry.

"Get back here, you ****ing *****!" _I really shouldn't have done that,_ she thought. Yup. She really shouldn't have used that glue and pink ribbons on him.
